CONDITIONS OF APPROVAL

This plan incorporates the best seating arrangement based on the existing building dimensions and the requirements of the customer. Building codes, as known to Seating Concepts, Inc. have been considered in preparing this plan, however, Seating Concepts, Inc. does not assume responsibility for compliance to all building codes. Verification of compliance to local building codes is the sole responsibility of the customer and/or architect.

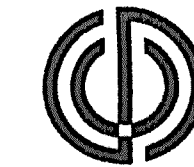

This plan is approved as submitted by Seating Concepts, Inc. for quantity and seating arrangement, width of aisles and building dimensions. An aisle light junction box location plan, can not be finalized for use until the seating layout is approved.

Seating Concepts, Inc. will manufacture the seating according to the approved plan and must be notified immediately of any changes in building dimensions or seating layout.
